Charges made to an open check account will accrue on a daily basis, with Trophy Trucking's business days being Monday through Saturday (the "daily accrual").** On the first business day following the respective daily accrual, a Trophy Trucking representative will call the Company Contact as identified above (the "Company Contact"), and detail the total charges accrued during the daily accrual, for which the check will be issued. The check will then be filled in for the total amount accrued during the respective daily accrual, and the customer will receive a paid statement and copies of each sales ticket via the method chosen above.

All Returned, Insufficient Funds, and/or Account Closed checks (collectively, "a dishonored check") received by Trophy Trucking must immediately be paid by the customer with cash, money order, a cashier's check or credit card, and will incur a \$25.00 returned check fee. In the case of a dishonored check, Trophy Trucking may, at its discretion, refuse to accept future checks from the customer. All dishonored checks that are not picked up and paid by the customer will be prosecuted to the full extent of the law.

Trophy Trucking may cancel this agreement at any time by providing written notice to the Company Contact. The customer may cancel this agreement by providing Trophy Trucking with written notice via facsimile to the number provided above. The outstanding balance, in any sum, on the open check account is payable and due, and will be processed immediately upon notice of cancellation by Trophy Trucking or the customer. By signing this agreement, you are agreeing to the terms and conditions of Trophy Trucking outlined herein, and agree to be bound by, and held responsible for, such terms and conditions.

****Open check accounts are subject to a \$2,000.00 balance limit per day, and payment will be due and payable immediately upon reaching the \$2,000.00 balance limit. Accordingly, if the balance on an open check account reaches \$2,000.00 before the end of the business day, the check will be deposited immediately for the entire balance. If the check is treated as a dishonored check, no further charges to the open check account will be permitted until the balance is paid, in full, and a new check must be brought in.****
